

The Purpose

Founded in 1993, Clare Music Makers (CMM), with studios located in Ennis town centre, is a partnership of professional musician-teachers committed to the highest standards in music teaching and performance. The teaching approach is supportive, non-competitive and motivational, with an emphasis on parental involvement.

The Mission of Clare Music Makers is to advance and encourage the art of music by:

- the provision of classical music instruction and performance opportunities;
- the promotion of musical events, including concerts, recitals, workshops and special celebrations;
- the encouragement of outreach musical activities and events in schools, libraries, hospitals, homes for the elderly and in cultural and resource centres;
- the encouragement and support for the commissioning and performance of new compositions;
- the development of public appreciation and support for classical music.
- the promotion of the Shannon region as a destination for music students and visitors from Ireland and other countries.

Concerts

Concerts are an important and integral feature of CMM's activities. Students are expected to attend as many concerts as possible, whether or not they take part as performers. All students registered in CMM programmes will have the opportunity to perform in studio recitals and/or CMM concerts.

Child Protection Policy

Here at Clare Music Makers we are committed to providing a safe environment for children and young people. Our teachers are Garda Vetted. Children's welfare and safety is our top priority. We comply with Children First: National Guidelines for Child Protection and Welfare. To help us achieve this, we have a Child Protection Policy and Procedures which guide our work. Copies of our Child Protection Policy are available at our office. Parents/guardians are children's primary carers. We work in partnership with parents/guardians to ensure children's safety and enjoyment of the activities we offer. We ask you to take some time to read our guidelines and programme information. If you have any questions or concerns please contact Michelle Hennessy, our Designated Person for Child Protection.

Student attendance records are kept by all teachers.:

Make-up Lessons: Students are expected to attend all lessons and classes at scheduled times.
